Brief (50 words or less) description of Products and/or Services Offered:

Our family business has been helping New Orleans residents with their pest control problems for 85 years. We sell professional strength products and explain how to use them. We identify insects and give pest control advice. We sell death to pest but promote life for the rest. We sell organic products and live beneficial insects.

Special Deals for NOREIA Members:

We offer a 10% discount for NOREIA members.
